A New Model for Open Access Publication

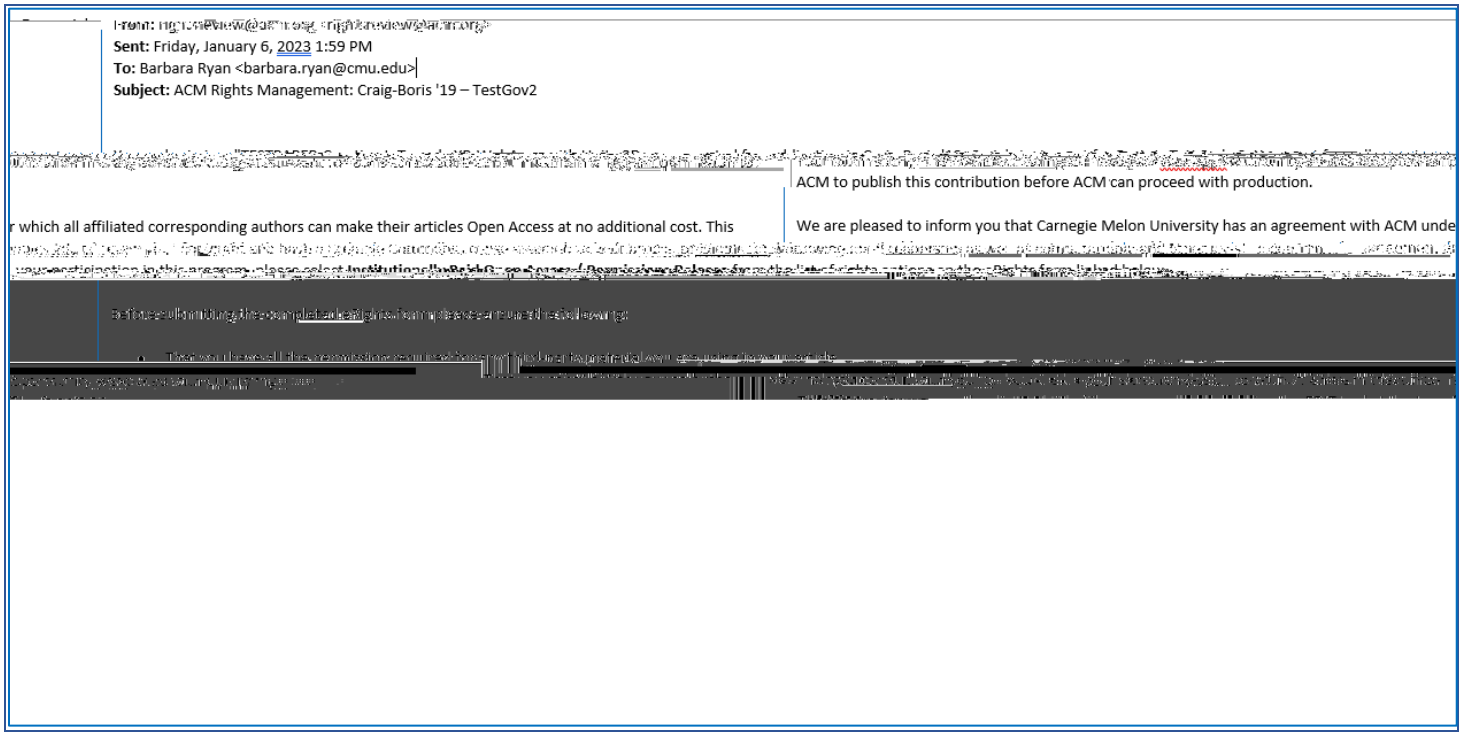
ACM Open Author eRights Experience

Welcome to ACM Open!

This document will explain the experience when an author from your institution chooses to publish in an ACM conference or journal. It is extremely important that your authors are listed as the corresponding author and use their institutional email address when submitting their work, so they are provided with the correct ACM Open eRights forms.

An email similar to the one below is sent to the corresponding author of a manuscript in each of these instances:

- Submission to an ACM journal
- Acceptance to an ACM journal
- Acceptance to an ACM conference (will be used for demo purposes below)



When the corresponding author, (the author who received

Clicking on the Proceed to eRights Form button will bring the corresponding author to the ACM eRights Form (samples below). The ACM Open eRights Form defaults to the Institutionally Paid Open Access rights and a Creative Commons CC-

Following submission of their eRights Forms, the corresponding author will receive email confirmation of the acceptance of the forms along with a copy for their records.

If you have any questions about the eRights process for ACM Open institutions, please reach out to rightsreview@acm.org or your account manager.
