

Applicant feedback, appeals and complaints for Masters students

Although we do not provide automatic feedback to every unsuccessful applicant, we are happy to provide written feedback upon request.

The following information provides details of the University's feedback policy, as well as details about the complaints and appeals procedures for applicants.

These policies and procedures would also apply to former students of the University who had been unsuccessful in gaining re-admission (whether to their former course or to another subject).

Feedback (defined as a request for information on why an application was turned down)
