

DISRUPTING THE ACADEMY

14 YEARS

FROM DISRUPTING THE ACADEMY
TO DISRUPTING THE ACADEMY

ABOUT

CHEER is part of Critically Informed Social Change, bringing together new ideas and innovative practices of the creative industries and the academy, and its social justice purpose, disruption into the academy on society's highest profile.

This event marks the significant 14th anniversary of our contribution to questions of gender, inclusion and diversity in the global academy, and is committed to examining and re-visioning the academy and how we can use the opportunity to share advice for all her work as CHEER. The event will feature a series of short talks including invited speakers and a panel of collaborators across the globe, as well as a series of future areas of higher education in research, innovation.
